NAZARETH ACADEMY HIGH SCHOOL is pleased to offer our students and their families a unique opportunity to help make investing in a private school education more affordable. We are introducing a locked tuition plan for the 2010-2011 school year. Since Nazareth Academy High School's mission is centered on the importance of family, we hope to bring a sense of comfort and reassurance to our families as they provide their daughters with the exceptional educational experience of Nazareth Academy.

FREQUENTLY ASKED QUESTIONS

What is locked tuition?

With locked tuition, the rate that you pay for your daughter's freshman year tuition remains the same for her sophomore, junior, and senior years of high school. The rate does not increase over the four years that she is in high school.

How will locked tuition benefit my family?

Knowing the exact tuition expenses that your family will incur over the next four years will help your family realistically budget and plan. At most schools, tuition usually increases a significant amount each year. At Nazareth Academy High School, your daughter's tuition will not increase and the unknown costs of future tuition bills will not be a concern for your family.

What is the tuition at Nazareth Academy High School?

The tuition rate for the 2010-2011 school year is \$10,500. This is a locked tuition rate and will remain the same throughout your daughter's high school career.

Are there any other fees associated with attending Nazareth Academy High School?

Yes. Please keep in mind that uniforms and books are at an additional cost. Accordingly, all students are responsible for an activity fee each year. Depending upon your daughter's extra-curricular interests, there are other fees associated with particular clubs and activities.
