The Human Experience

All NA families and the community are invited to a screening of the award-winning documentary film, "The Human Experience" on Monday, April 19, 2010 at 7 PM in the NAHS Auditorium. The screening will be followed by a Q&A session with the film's stars. Cost of admittance is \$10 per person. Light refreshments will be served.

"The Human Experience" is the story of a band of brothers who travel the world seeing the homeless on the streets of New York City, the orphans and disabled children of Peru, and the abandoned lepers in the forest of Ghana, Africa. Through one-on-one interviews and real life encounters, the brothers are awakened to the beauty of the human person and the resilience of the human spirit (Grassroots Films, Brooklyn NY).

The film is being shown at small screenings all around the world, inspiring people from all walks of life, but especially young adults, how to give back to the global community and never take anything for granted.

There will be a private screening during school on Monday, April 19th for our students.

"The Human Experience" screening has been made possible by NAPA. This unique screening offers a spiritual and emotional perspective of life from the eyes of young adults. The award-winning film has opened many eyes to the suffering and tragedies faced by people around the world.

This film epitomizes the power of people and family, but it is a sad reality that one does not need to travel the world to find people in need. This is why NAHS is proud to introduce our *Family to Family Fund*. Created by the NAHS "family" for NAHS families, this fund will provide support for current families in crisis. NAPA has generously offered to jump-start this initiative by providing 100% of the proceeds for "The Human Experience" screening towards the *Family to Family Fund*.
