

Honors U.S. History Summer Assignment

Welcome to Honors U.S. History!!! For the summer assignment, you are to read David Hackett Fischer's *Washington's Crossing*. The book may seem large but you are only responsible for pages 1-379. There are references and appendices that we will go over in class together. Also, you should complete the following three items:

- 1) Before you read the book, in a one page reflection, what images come to mind when you hear the phrase, "Washington crossed the Delaware."
- 2) Take notes as you read as this will become the basis for your quiz when you return. We will go over the notes first to make sure you did not miss any important events.
- 3) After you read the book, how did your view of the event change? Be prepared to present your views in class when we return.

Your reflections should be done in MLA format in Times New Roman, 12 font. Any questions feel free to email me at Timclrk675@aol.com
